I am a Senior Research Data Scientist currently working on Biology Network Science. I am interested in Big Data and High Performance Computing specially for genomic data. I am keen on learning public speaking and leadership skills

Professional experience

I am a research data scientist

CRG	*Barcelona, Spain*
POSTDOC RESEARCH	*2017-present*
• Network science	
UBA	*Buenos Aires, Argentina*
PHD THESIS	*2012-2016*
• Alternative splicing, RNA-Seq	
UNR	*Rosario, Argentina*
MASTER THESIS	*2003-2010*
• Web interface	
INDEAR	*Rosario, Argentina*
DATA ANALYST	*2010-2012*
• NGS platform	

Education

I am a molecular biologist with huge experience in bioinformatics

INRIA	*France*
INTERNSHIP	*2009.0*
• Protein sequence ancestral reconstruction	
UNR	*Argentina*
MASTER	*2003-2010*
• Interface for CDHIT	
UBA	*Argentina*
PHD	*2012-2016*
• Alternative splicing and Light	
CRG	*Argentina*
POSTDOC	*2017-2022*
• Reconstruction of alternative splicing regultaory networks
